

MBF 2025

THE WRIGHT PATHWAY

The Right Worshipful Provincial Grand Master is getting the final year of our Festival period off to an exciting, but potentially exhausting, start.

During the week Monday 8th to Friday 12th July 2024 he plans to walk from Banbury to Henley in five stages along the Oxford Canal and River Thames.

The five stages of the route are:

- | | |
|---------|-------------------------------|
| Stage 1 | Banbury to Tackley |
| Stage 2 | Tackley to Oxford |
| Stage 3 | Oxford to Cardinal House |
| Stage 4 | Cardinal House to Wallingford |
| Stage 5 | Wallingford to Henley |

The PGM is hoping that Brethren will accompany him on the stages closest to their Masonic Centres, to encourage and support him.

If you cannot be with the PGM, you could show your support by sponsoring him; £1 per mile is suggested. All the money he raises will go into the MBF Festival 2025.

You could also sponsor those Brethren who accompany him.

The PGM has started training for his Challenge, let us all give him our support! Details of how you may support him physically and/or financially will be circulated to all Brethren in the Province very soon.

Ian would like us all to remember Worshipful Brother Keith Pauling, who has inspired this walk.
